From our vision, we inspire our children to have uncompromising aspirations and to thrive and succeed.

Introduction

Your child's safety and well-being is of the utmost importance to the staff at the school, therefore procedures for collecting children are followed to ensure your child's safety.

No children will be released from our care if staff are not informed of the person collecting the child.

Admission information

When your child starts at the school, you will be asked to fill in some information about your child. We will ask for details about the person/people who will be collecting your child. Parents must nominate a suitable person to collect their child if they are unable to do so themselves. The details of this person must be given to the school. This information can then be used to identify the designated person(s). **If there are to be any changes to this information, parents must please ensure that these details are updated as swiftly as possible.**

Many children attend after school clubs. In this instance, children must be collected promptly by an adult at the end of the club.

It is the parents'/carer's/legal guardian's responsibility to ensure the safe collection of their children by ensuring the school has the correct and up to date information for that day.

The school opens at 8.45am and the school day begins promptly at 8.55 am and finishes at 3.15 pm for Reception and Key Stage One children and 3.20 pm for Key Stage 2. It is the parents'/carer's/legal guardian's responsibility to ensure the safe collection of their children at the appropriate time.

Suitable person / Identification of Individuals

It is the policy of the school that no person under the age of 16 years can collect a child from the school. If staff feel that the parent/carer collecting a child may be under the influence of either alcohol or drugs and the safety and wellbeing of the child may be compromised, the staff must contact a member of the Senior Leadership Team. The member of the Senior Leadership Team will assess the situation and if they feel that the parent/carer appears unable to take responsibility for the child they will take appropriate action. This could include contacting another member of the family to collect the child. If another family member is not available then Children's Social Care or the Police will need to be contacted.

Parents must notify the school as early as possible if they are going to be late by calling the school. If there is any doubt about the collection of a child at the end of the school day the class teacher or member of staff in charge of the children is to investigate immediately including phoning all emergency contacts.

All members of teaching staff are asked to help with ensuring that children are dismissed safely.

Class 1 children will be collected directly from the Reception outdoor area.

Class 2 will be collected from the small slope entrance area at the front of school.

Class 3 will be collected from the main entrance at the front of school.

Class 4 and 5 can be collected from the side door of school.

Only Year 5 and 6 can walk home without adult supervision. However, if there are specific child safety issues or behavior considerations, agreements will be made with parents for children to be collected at the front entrance of school.

For any after school clubs (including out of hours care) ALL children must be collected by an adult, they will not be able to leave school without an adult to collect them.

Parents are asked to wait in the designated area and children are not allowed to leave the building until they are given permission by a member of staff who has ensured that their parent/responsible adult is there.

Parents must inform the school of any alternative arrangements and these will be shared with the class teacher and written up on the whiteboard displayed in the staffroom.

Relationship breakdown of parents / guardians

The school has a clearly defined procedure, which is followed in the event of the relationship between a child's parents or guardians breaking down.

Unless there is a court order, of which the school must have a copy, preventing one parent's contact to the child we are unable to deny access.

If there is concern about violent or aggressive behaviour from either parent we recommend that the child does not attend the school until the problems have been resolved, thereby ensuring the safety of all children.

Failure to collect a child

The teacher or appropriate member of staff will:

- Check whether they are usually in an after school activity that night and have just forgotten to attend. (Where applicable).
- Call the parent to say they must contact the school immediately to say when the pupil is to be collected.
- If a parent has not arrived by 3.30pm the child may be taken to the office so that they can be supervised by an appropriate adult.
- If a parent has not made contact or arrived by 3.45pm or 10 minutes after the end of an after school club a further phone call would be made and where available, a message left to inform the parents that a referral is being made to Children's Social Care ACCESS service if no call is received within 10 minutes.
- If the child is not collected and no contact is made by 4.00 p.m. or 20 minutes after the end of an after school club, a referral may to be made to the MASH team/Police.

On no account would we allow a child be taken by a person not known by the school.

Follow-up:

Once any situation has been resolved a discussion between the school and the parent/guardian/carer will take place to establish how and why the circumstance arose and to ascertain what must be done to avoid a recurrence of this situation.
